

Study Zone Programme 2021-2

In addition to the weekly programme of Study Support offered to students all S4-6 students are invited to attend **Study Zone** in the lead-up to Prelim and SQA exams. During Study Zone, students can either go to after-school support sessions with particular teachers or can go to the library to use it as a quiet study area.

In previous years Study Zone has been very popular and has received very positive feedback from students. **We are encouraging all S4-6 students to attend.**

Prelim Study Zone starts on **Monday 10th January** and is offered 3:50 – 4:50pm, until **Thursday 20th January**.

Prelim exams start on Monday 24th January.
