

EYEMOUTH HIGH SCHOOL | PARENT BULLETIN

30TH AUGUST | 2023 |

Great to be here!

It has been a busy couple of weeks, especially for our new First years, getting used to being at the high school. In assemblies we have been reminded of the 'Iceberg of Success.' The winning formula for being successful includes a lot of graft which people don't always see – failure, sacrifice, disappointment, and ultimately persistence, dedication, hard work and discipline are all involved! Let's support our young people to challenge themselves to keep going, progress and see what they can achieve.

First Year Friends

first year Friend

We are really pleased and proud to have 55 x S5 and S6 pupils who have volunteered as 'First Year Friends' this year. This is the largest group of First Year Friends we have ever had, since the programme started 6 years ago. Their valuable roles have been a great support in welcoming the new S1s to the High School; they have been helping them find their way around the school; answering their questions and generally being a kind and friendly face to help them settle into their new environment. As we move forward, they will be helping at S1 break time drop in sessions as well as continuing to be available for any S1s who feel they would like some extra support.

Seasons for Growth programme

Change and loss are issues that affect all of us at some stage in our lives. At Eyemouth High School we recognise that when changes occur in families through significant loss or change in circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful programme called Seasons for Growth. You can find more information [here](#). This year, the programme will initially be offered to our S2 pupils and we will be speaking to them about this opportunity in the forthcoming weeks. If you would like any further information or have any questions about the programme, please do not hesitate to contact our Home School Link Workers, Laura Simm and Sophie McNeil, at the High School on 018907 50363.
