

Subject	Level	Assessment Type?	Week beginning	How is the assessment happening?	Any other relevant information?
Engineering Science	National 5	Assignment	11/11/2024	Completed solely in class time over a period of lessons	
Administration and IT	National 5	Practical Course Assignment	11/11/2024	Completed solely in class time over a period of lessons	Date is approximate and will be confirmed nearer the time. Will require 2 double periods of class time/Requires specialist staffing or rooming
English	National 5	School-based test (where SQA Assessment	11/11/2024	Completed solely in class time in one lesson	
English	Higher	School-based test (where SQA Assessment	11/11/2024	Completed solely in class time over a period of lessons	
Computing Science	National 5	Practical Course Assignment	11/11/2024	Completed solely in class time over a period of lessons	
Computing Science	Higher	Practical Course Assignment	11/11/2024	Completed solely in class time over a period of lessons	
Engineering Science	Higher	Assignment	11/11/2024	Completed solely in class time over a period of lessons	
Graphic Communication	National 5	Assignment	11/11/2024	Completed solely in class time over a period of lessons	
Graphic Communication	Higher	Assignment	11/11/2024	Completed solely in class time over a period of lessons	
Practical Woodworking	National 5	Practical Course Assignment	11/11/2024	Completed solely in class time over a period of lessons	
Chemistry	Higher	Assignment	11/11/2024	Completed solely in class time over a period of lessons	
PE	National 5	Final Performance	11/11/2024	Requires Individual Performance times for practice and final performance - these will take students out of other lessons	Badminton practical assessment period 6+7, Thursday 14th. Will require some students out of other classes but will prioritise these for minimal disruption. Will arrange another date for students affected by music prelim. Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons
Chemistry	National 5	Unit Assessment	11/11/2024	Completed solely in class time in one lesson	
Scottish Baccalaureate (Interdisciplinary Pr	Advanced Higher	Project presentation	13/11/2024	Completed solely in class time in one lesson	Students will choose their presentation date and time but should be aiming for early November. Possibly presented to an agency outside of school
Music	National 5	Performance Prelim	13/11/2024	Requires Individual Performance times for practice and final performance - these will take students out of other lessons	Please note Music Prelims are Thursday and Friday of 14th and 15th November
Music	Higher	Performance Prelim	13/11/2024	Requires Individual Performance times for practice and final performance - these will take students out of other lessons	Please note Music Prelims are Thursday and Friday of 14th and 15th November
Music	Advanced Higher	Performance Prelim	13/11/2024	Requires Individual Performance times for practice and final performance - these will take students out of other lessons	Please note Music Prelims are Thursday and Friday of 14th and 15th November
PE	Higher	Final Performance	13/11/2024	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Badminton practical assessment period 6+7, Thursday 14th. Will require some students out of other classes but will prioritise these for minimal disruption. Will arrange another date for students affected by music prelim
Horticulture	NPA Level 4	Portfolio	13/11/2024	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	13/11/2024	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Biology	Higher	Unit Assessment	18/11/2024	Completed solely in class time in one lesson	Unit 2 Part 1 Assessment
English	National 5	School-based test (where SQA Assessment	20/11/2024	Completed solely in class time in one lesson	
English	Higher	School-based test (where SQA Assessment	20/11/2024	Completed solely in class time over a period of lessons	
Scottish Baccalaureate (Interdisciplinary Pr	Advanced Higher	Project presentation	20/11/2024	Completed solely in class time in one lesson	Students will choose their presentation date and time but should be aiming for early November. Possibly presented to an agency outside of school
Drama	National 5	Performance Prelim	20/11/2024	Requires a whole class to be out of other lessons for a performance	Drama Prelim takes place Thursday 21st November
Drama	Higher	Performance Prelim	20/11/2024	Requires Individual Performance times for practice and final performance - these will take students out of other lessons	Drama Higher Prelim takes place on Thursday 21st November. Requires a whole class to be out of other lessons for a performance
Drama	Advanced Higher	Performance Prelim	20/11/2024	Requires a whole class to be out of other lessons for a performance	Please note the Drama prelim is Thursday 21st November
Physics	Advanced Higher	Project	20/11/2024	In class time and in study periods	3 day out of class to complete a practical at Heriot Watt (date TBC, hopefully in Nov). Then students will complete the project during class time and in their free periods
Horticulture	NPA Level 4	Portfolio	20/11/2024	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	20/11/2024	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Biology	Advanced Higher	Unit Assessment	25/11/2024	Completed solely in class time in one lesson	Unit 1 Topic 2/4 Assessment
Physics	Advanced Higher	Project	27/11/2024	In class time and in study periods	1 day out of class to complete a practical at Heriot Watt (date TBC, hopefully in Nov). Then students will complete the project during class time and in their free periods
Horticulture	NPA Level 4	Portfolio	27/11/2024	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	27/11/2024	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
PE	National 5	Final Performance	02/12/2024	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Gymnastics practical assessment period 6+7, Thursday 5th. Will require some students out of other classes but will prioritise these for minimal disruption. Requires Individual Performance times for practice and final performance - these will take students out of other lessons

PE	Higher	Final Performance	02/12/2024	Requires Individual Performance times for practice and final performance - these will take students out of other lessons	Gymnastics practical assessment period 6+7, Thursday 14th. Will require some students out of other classes but will prioritise these for minimal disruption. Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons
Fashion & Textiles	National 4	Assignment	02/12/2024	Completed solely in class time over a period of lessons	Unit 2 - Fashion & Textile Choices
PE	Advanced Higher	Final Performance	02/12/2024	Completed solely in class time in one lesson	Gymnastics performance assessment.
Physics	Advanced Higher	Project	04/12/2024	In class time and in study periods	2 day out of class to complete a practical at Heriot Watt (date TBC, hopefully in Nov). Then students will complete the project during class time and in their free periods
Physics	Higher	Assignment	04/12/2024	Completed solely in class time over a period of lessons	
Chemistry	National 5	Assignment	04/12/2024	Completed solely in class time over a period of lessons	
Biology	National 5	Unit Assessment	04/12/2024	Completed solely in class time in one lesson	
Horticulture	NPA Level 4	Portfolio	04/12/2024	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	04/12/2024	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Biology	Advanced Higher	Unit Assessment	09/12/2024	Completed solely in class time in one lesson	Unit 3 Assessment
Physics	Higher	Assignment	11/12/2024	Completed solely in class time over a period of lessons	
PE	National 5	Portfolio	11/12/2024	Completed solely in class time over a period of lessons	Ongoing throughout year in class time. Aiming to be finished before Christmas holiday. Catch up out of class if needed.
Chemistry	National 5	Assignment	11/12/2024	Completed solely in class time over a period of lessons	
Art & Design	National 5	Performance Prelim	11/12/2024	Completed solely in class time in one lesson	Monday is the 9th December our Prelim will be on the Wednesday 11th
Art and Design	Higher	Performance Prelim	11/12/2024	Completed solely in class time over a period of lessons	Monday is the 9th of December this will be completed on Wednesday 11th
Chemistry	Higher	Unit Assessment	11/12/2024	Completed solely in class time in one lesson	
RMPS	National 5	Assignment	11/12/2024	Completed solely in class time in one lesson	The write up is 1 hour in exam conditions so time out of other classes will be necessary
RMPS	Higher	Assignment	11/12/2024	Completed solely in class time in one lesson	
Horticulture	NPA Level 4	Portfolio	11/12/2024	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	11/12/2024	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
NPA Costume	NPA Level 5	Practical Course Assignment	16/12/2024	Completed solely in class time over a period of lessons	Completion of Unit 2 - Introduction to Garment Pattern Cutting
Sport and Fitness	NPA Level 5	Unit Assessment	16/12/2024	Completed solely in class time over a period of lessons	Sports coaching unit. Ongoing throughout year
Biology	Advanced Higher	Unit Assessment	16/12/2024	Completed solely in class time in one lesson	Unit 1 Assessment
Nat 3 Applications of Maths	National 3	Unit Assessment	18/12/2024	Completed solely in class time over a period of lessons	The first of the 3 units will be assessed w/c Monday 7th October. They will be assessed in the following order: Manage money and data; Shape, space and Measures; Numeracy.
English	National 5	School-based test (where SQA Assessment	18/12/2024	Completed solely in class time in one lesson	
English	Higher	School-based test (where SQA Assessment	18/12/2024	Completed solely in class time over a period of lessons	
Chemistry	National 5	Assignment	18/12/2024	Completed solely in class time over a period of lessons	
PE	National 5	Portfolio	18/12/2024	Completed solely in class time over a period of lessons	Ongoing throughout year in class time. Aiming to be finished before Christmas holiday. Catch up out of class if needed.
Biology	Higher	Unit Assessment	18/12/2024	Completed solely in class time over a period of lessons	Unit 2 Full Assessment
Horticulture	NPA Level 4	Portfolio	18/12/2024	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	18/12/2024	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Practical Woodworking	National 5	Practical Course Assignment	08/01/2025	Completed solely in class time over a period of lessons	
Practical Metalworking	National 5	Practical Course Assignment	08/01/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	08/01/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	08/01/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Fashion & Textiles	National 5	Assignment	13/01/2025	Completed solely in class time over a period of lessons	Unit 3 - Item Development
Practical Woodworking	National 5	Practical Course Assignment	13/01/2025	Completed solely in class time over a period of lessons	
Practical Metalworking	National 5	Practical Course Assignment	15/01/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	15/01/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	15/01/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Fashion & Textiles	National 5	School-based test (where assessment is ex	20/01/2025	Requires specialist staffing or rooming	Written prelim
Practical Woodworking	National 5	Practical Course Assignment	22/01/2025	Completed solely in class time over a period of lessons	
Practical Metalworking	National 5	Practical Course Assignment	22/01/2025	Completed solely in class time over a period of lessons	

Horticulture	NPA Level 4	Portfolio	22/01/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	22/01/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Practical Cookery	National 5	Practical Course Assignment	27/01/2025	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Practical prelim
Physics	National 5	Assignment	29/01/2025	Completed solely in class time over a period of lessons	
Practical Woodworking	National 5	Practical Course Assignment	29/01/2025	Completed solely in class time over a period of lessons	
Practical Metalworking	National 5	Practical Course Assignment	29/01/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	29/01/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	29/01/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Physics	National 5	Assignment	05/02/2025	Completed solely in class time over a period of lessons	
Business Management	National 5	Assignment	05/02/2025	Completed solely in class time over a period of lessons	
Business Management	Higher	Assignment	05/02/2025	Completed solely in class time over a period of lessons	
Economics	Higher	Assignment	05/02/2025	Completed solely in class time over a period of lessons	
History	National 5	Assignment	05/02/2025	Completed solely in class time in one lesson	
Economics	Higher	Assignment	05/02/2025	Completed solely in class time over a period of lessons	
Practical Woodworking	National 5	Practical Course Assignment	05/02/2025	Completed solely in class time over a period of lessons	
Practical Metalworking	National 5	Practical Course Assignment	05/02/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	05/02/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	05/02/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Practical Cookery	National 4	Unit Assessment	10/02/2025	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Unit 3 Organisational Skills for Cooking
Biology	National 5	Assignment	10/02/2025	Completed solely in class time over a period of lessons	Assignment Formal Write Up
Practical Woodworking	National 5	Practical Course Assignment	19/02/2025	Completed solely in class time over a period of lessons	
Business Management	National 5	Assignment	19/02/2025	Completed solely in class time over a period of lessons	
Business Management	Higher	Assignment	19/02/2025	Completed solely in class time over a period of lessons	
Economics	Higher	Assignment	19/02/2025	Completed solely in class time over a period of lessons	
History	National 5	Assignment	19/02/2025	Completed solely in class time in one lesson	
Economics	Higher	Assignment	19/02/2025	Completed solely in class time over a period of lessons	
Practical Metalworking	National 5	Practical Course Assignment	19/02/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	19/02/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	19/02/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Fashion & Textiles	National 4	Assignment	24/02/2025	Completed solely in class time over a period of lessons	Completion of Unit 3 - Item Development
Computing Science	National 5	Practical Course Assignment	26/02/2025	Completed solely in class time over a period of lessons	
Computing Science	Higher	Practical Course Assignment	26/02/2025	Completed solely in class time over a period of lessons	
Engineering Science	National 5	Assignment	26/02/2025	Completed solely in class time over a period of lessons	
Engineering Science	Higher	Assignment	26/02/2025	Completed solely in class time over a period of lessons	
History	National 5	Assignment	26/02/2025	Completed solely in class time in one lesson	
Practical Woodworking	National 5	Practical Course Assignment	26/02/2025	Completed solely in class time over a period of lessons	
Business Management	Advanced Higher	Assignment	26/02/2025	Completed in class over several months to be handed in after the prelims	
Practical Metalworking	National 5	Practical Course Assignment	26/02/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	26/02/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	26/02/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
PE	National 5	Final Performance	03/03/2025	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Remaining practical assessments to be completed this week. Will aim to do this during own class time but may require additional students from other classes to complete. Requires Individual Performance times for practice and final performance - these will take students out of other lessons

PE	Higher	Final Performance	03/03/2025	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Remaining performance assessments. Will aim to complete in class time but may require some students from other classes, depending on what is being assessed. Requires Individual Performance times for practice and final performance - these will take students out of other lessons
English	National 5	School-based test (where SQA Assessment	04/03/2025	Completed solely in class time in one lesson	
English	Higher	School-based test (where SQA Assessment	04/03/2025	Completed solely in class time over a period of lessons	
Computing Science	National 5	Practical Course Assignment	04/03/2025	Completed solely in class time over a period of lessons	
Computing Science	Higher	Practical Course Assignment	04/03/2025	Completed solely in class time over a period of lessons	
Engineering Science	National 5	Assignment	04/03/2025	Completed solely in class time over a period of lessons	
Engineering Science	Higher	Assignment	04/03/2025	Completed solely in class time over a period of lessons	
Graphic Communication	National 5	Assignment	04/03/2025	Completed solely in class time over a period of lessons	
Graphic Communication	Higher	Assignment	04/03/2025	Completed solely in class time over a period of lessons	
Practical Woodworking	National 5	Practical Course Assignment	04/03/2025	Completed solely in class time over a period of lessons	
Practical Metalworking	National 5	Practical Course Assignment	04/03/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	04/03/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	04/03/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Sport and Fitness	NPA Level 5	Unit Assessment	10/03/2025	Requires Individual Performance times for practice and final performance - these will take students out of other lessons	Officiating unit. Final date to be confirmed due to involving primary school. Will aim to complete during class time to minimise disruption to other classes. Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons
Practical Metalworking	National 5	Practical Course Assignment	11/03/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	11/03/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	11/03/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Practical Cookery	National 5	Practical Course Assignment	17/03/2025	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Practical exam
English	National 5	School-based test (where SQA Assessment	18/03/2025	Completed solely in class time in one lesson	
English	Higher	School-based test (where SQA Assessment	18/03/2025	Completed solely in class time over a period of lessons	
Graphic Communication	National 5	Assignment	18/03/2025	Completed solely in class time over a period of lessons	
Graphic Communication	Higher	Assignment	18/03/2025	Completed solely in class time over a period of lessons	
Practical Woodworking	National 5	Practical Course Assignment	18/03/2025	Completed solely in class time over a period of lessons	
Administration and IT	National 5	Practical Course Assignment	18/03/2025	Completed solely in class time over a period of lessons	Date is approximate and will be confirmed nearer the time. Will require 2 double periods of class time/Requires specialist staffing or rooming
Practical Metalworking	National 5	Practical Course Assignment	18/03/2025	Completed solely in class time over a period of lessons	
Horticulture	NPA Level 4	Portfolio	18/03/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	18/03/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
Chemistry	Higher	Unit Assessment	24/03/2025	Completed solely in class time in one lesson	
Practical Cookery	National 4	Unit Assessment	24/03/2025	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Added Value Unit
Fashion & Textiles	National 5	Practical Course Assignment	24/03/2025	Completed solely in class time over a period of lessons	Deadline for completion of externally marked assignment/completion of practical
NPA Costume	NPA Level 5	Practical Course Assignment	24/03/2025	Completed solely in class time over a period of lessons	Completion of Unit 3 - Introduction to Surface Decoration
Biology	Advanced Higher	Practical Course Assignment	24/03/2025	Completed solely in class time over a period of lessons	AH Project Final Assignment Submissions (pupils will have other component deadlines too)
Biology	National 5	Unit Assessment	24/03/2025	Completed solely in class time in one lesson	
Chemistry	National 5	Unit Assessment	24/03/2025	Completed solely in class time in one lesson	
Nat 3 Applications of Maths	National 3	Unit Assessment	25/03/2025	Completed solely in class time over a period of lessons	The first of the 3 units will be assessed w/c Monday 7th October. They will be assessed in the following order: Manage money and data; Shape, space and Measures; Numeracy.
English	National 5	School-based test (where SQA Assessment	25/03/2025	Completed solely in class time in one lesson	
English	Higher	School-based test (where SQA Assessment	25/03/2025	Completed solely in class time over a period of lessons	
Administration and IT	Higher	Practical Course Assignment	25/03/2025	Completed solely in class time over a period of lessons	Date is approximate and will be confirmed nearer the time. Will require 2 double periods of class time/Requires specialist staffing or rooming
Horticulture	NPA Level 4	Portfolio	25/03/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Biology	Higher	Unit Assessment	31/03/2025	Completed solely in class time over a period of lessons	Unit 3 Part 3 Assessment (essentially Prelim Part 2)
Fashion & Textiles	National 4	Practical Course Assignment	31/03/2025	Completed solely in class time over a period of lessons	Completion of Added Value
PE	National 4	Unit Assessment	15/04/2025	Will mainly be completed in class time, but will need some extra time to finish which will affect other lessons	Added Value unit - 5k run. Pencilled in for 21st May. Requires Individual Performance times for practice and final performance - these will take students out of other lessons

Horticulture	NPA Level 4	Portfolio	15/04/2025	Completed solely in class time over a period of lessons	Continuous assessment (student completed portfolio work and teacher observations) during all Horticulture lessons.
Laboratory Science	National 5: Skills for Work	Assessed Learning Outcomes	15/04/2025	Completed solely in class time over a period of lessons	Lab Science outcomes are assessed throughout the year. Assessed practical work is completed when the students are present and have shown confidence during the practice work. There are no hard deadlines other than finishing the course by the end of March.
