

Study Zone Programme 2019

In addition to the weekly programme of Study Support offered to students all S4-6 students are invited to attend **Study Zone** in the lead-up to Prelim and SQA exams. During Study Zone, students can either go to after-school support sessions with particular teachers or can go to the library to use it as a quiet study area.

In previous years Study Zone has been very popular and has received very positive feedback from students. **We are encouraging all S4-6 students to attend.**

Prelim Study Zone starts on **Monday 14th January** and is offered on Monday - Thursday evenings, 3:50 - 4:50pm, until Thursday 24th January.

Prelim exams start on Friday 25th January.

A timetable for Prelim Study Zone is included below. Additional Support teachers will be available for every day of Study Zone.

Students are reminded that we have produced a support pack, *Getting The Best Results You Can*, which you should make sure you have read. This includes a Revision Checklist, which is repeated below. To access this pack, on our website, go to: *Students: S4-6: Senior Phase > Getting The Best Results You Can*
