

Course Overview H GC

24 January 2016 14:28

Month	Topic	Specifics	Resources	Assessment	HW
June	Course introduction	Course changes Expectations Assessments	OneNote PPT Wall display		
	Sketching	Starter pack ortho, iso and oblique	Sketchbooks, pencils, drawing tools	Drawings in sketchbook marked	
	Pen practice task	Complete all steps for the practice task	Pencils, sketchbooks, Inventor, Berol pens, data sheets	Work marked as if its unit work pass or fail	
	Start real pen task	Start task, pupils can chose the order they do the tasks	Pencils, sketchbooks, Inventor, Data sheets, Berol Pens, A3 printer	All work marked against old unit assessment tasks.	
July	Summer Sketching tasks	Sketching sheet	Homework page	Work is for pupil development, checked if done but only assessed if pupil wants feedback	Yes - month task
August	Pen task	Complete pen task	Pencils, sketchbooks, Inventor, Data sheets, Berol Pens, A3 printer	All work marked against old unit assessment tasks.	HW - 18
September	Drawing Pack	Interpenetration Tangency Auxiliary Building	Drawing Equipment AutoCAD Inventor	Teacher, peer and self-marked	HW - 5, 7,8,9, 10
October	Ikea task (Technical Graphics)	Producing Preliminary Graphics (2d and 3D) to Higher standard	Sketchbooks, pencils, marker pens, pastels, coloured pencils	Teacher marking to old unit standard/new assessment standards	HW - 1,4,11, 19
	Ikea task	3D model and produce production drawings	Autodesk	Teacher mark to new assessment standards	HW- 2,3
November	Ikea task (Visual media)	DTP work Basics	DTP terms booklet Magazines	Teacher marking to old unit standard/new assessment standards	HW - 12,13,14,15

		Analysing Creating	Paper Berol pens		,16
December	Extended Practice Task (SQA One)	Work through SQA Example assessment task with teacher support	Drawing Equipment, Autodesk Suite, Adobe Suite, A3 Printer	Teacher mark to SQA assessment standard	HW - 17
January	Revision	Full focus on exam revision working through each part of the CAS	Past Papers, Revision tasks, flash cards,	Teacher, peer and self-marked	
February	Prelim	Prelim 90 marks 64% of course	Prelim, compass	Teacher marked	
	Practice task	8 hour task set by teacher - to be created	Same as below	Teacher marked to SQA standard	
	Course assessment task	8 hour task set by the SQA	Computers, adobe creative suite, Autodesk suite, A3 printer, drawing equipment	SQA assessed	
March	Assessment Task posted	Office Deadline 15th March*	Flyleaf's, pupil work, envelopes	SQA assessed centrally - only checking in school	
	Revision	Targeted plan based on prelim	Past papers, revision tasks	Teacher, peer and self-marking	
April	Revision	Targeted revision	Specific Tasks Past Papers	Revision work marked	
		Second prelim	Prelim paper printed	Teacher mark	
May	Exam Leave	Any additional study work required			

*Guess based on last year

Date	Marking	HW Number	Topic
	Self Mark	1	BS Standards - Sections
	Peer mark	2	CAD modelling
	Teacher mark	3	Town down - bottom up

	Self mark	4	Threads and BS
	Peer mark	5	Tangency
	Teacher mark	6	Bitmaps and vectors
	Self Mark	7	Interpenetration
	Peer mark	8	Tangency
	Teacher mark	9	Auxiliaries
	Self mark	10	Building Drawings
	Peer mark	11	Dimensioning homework to be made*****
		12	Colour theory to be made*****
		13	Design Elements to be made*****
		14	Design Principles to be made *****
		15	DTP Terms to be made*****
		16	DTP File types to be made*****
		17	Technology and society to be made*****
		18	<p>Shading Amazingly Simple Shading Trick!</p> 
		19	How to SKETCH Like a PRO! - Tools, Tips and Tricks!
